

AO's 2023-24 Title 1 / Learning Assistance Program (LAP)

Student Parent Engagement Policy for Elementary and Middle School

Auburn Online and the Title I/LAP program recognizes that students have successful educational experiences when families and educators work together to assist and support children in their academic endeavors. Title I/LAP works in partnerships with parents/guardians of elementary and middle school students to promote the educational success of our students.

Communication/School Climate: Communication is a key element in the building of the parent/school partnership. Title I/LAP students at Auburn Online benefit from our Title I/LAP reading support. Students will have the opportunity to use quality reading materials purchased with LAP and Title funds. Title I/LAP allows for additional, direct instruction in small class groups.

Title I/LAP Student Learning Plan and Compact is sent home each fall with all students. At this time, parents are asked to commit to ways they will be able to help their children at home. Throughout the course of the year newsletters, telephone calls, email, Title I/LAP Reading progress cards, availability at Open House, and conferences are provided to ensure school/parent communication. Parent Education: Parenting requires continuing support to assist children's educational needs. Meet and Greets, and online Parent Nights are offered as opportunities for parent education. These programs offer many suggestions of ways parents can help their children at home. Newsletters contain suggestions for assisting their children in a variety of ways. Parent conferences also allow the time for parents to receive assistance in how to support their children's learning.

Involvement in School: Parent involvement is encouraged. The Auburn Online Title I/LAP program has an open-meet policy. Parents are welcome to observe their children during class meets.

Learning at Home: The Title I/LAP program encourages students to practice their skills at home with the help of their parents. Students are encouraged to participate in the Accelerated Reading and school wide reading programs. Teachers provide homework that supports the reading and math curriculum.

Your input informs our planning: Watch for a survey at the end of the school year to help us evaluate Title I/LAP support received by your child during the 2023-24 school year. Your feedback will inform our planning for the next school year.

Extended Learning Opportunities: All extended learning opportunities are dependent on Title I/LAP funding. Opportunities may include before or after school programs for students. Summer School program for students at selected grades may be offered. You will receive information on such opportunities as funds are made available
